Congratulations to Our "2011 Super Lawyers"

Congratulations to our four 2011 Pennsylvania Super Lawyers, Marc Robert Steinberg, Gregory R. Gifford, Jay C. Glickman and Robert T. Szostak, named by their fellow lawyers in the Commonwealth, as announced in the June issue of *Philadelphia Magazine* and the annual June publication of *Pennsylvania Super Lawyers*. This is the eighth consecutive year that Marc Steinberg and Greg Gifford have received the award, the sixth consecutive year for Jay Glickman, and the fourth consecutive year for Robert Szostak. Fewer than five percent of Pennsylvania's attorneys receive this honor.

Marc Robert Steinberg has over 35 years of experience, handling some of the area's most explosive cases. He litigates criminal and civil cases in the State and Federal Courts. He is the only attorney in Bucks and Montgomery Counties to be certified as a Criminal Trial Attorney by the National Board of Trial Advocacy. He is current President of the Montgomery Child Advocacy Project (MCAP). He has also been named one of the Top 100 Lawyers in Pennsylvania and Philadelphia for the third time and has been named a 2011 Best Lawyer in America.

Gregory R. Gifford has been practicing personal injury and criminal law for over 25 years. He has been voted "Best Lawyer" and "One of the Best Lawyers" for several years in *The Reporter's* and the Montgomery Media's Annual Reader's Choice Awards. He is Past President of the Montgomery Trial Lawyers Association and currently serves as solicitor for various police organizations and zoning boards.

Jay C. Glickman has served Rubin, Glickman, Steinberg and Gifford clients since 1972. He concentrates his practice in estate planning and estate administration. He is a member of the Advisory Committee on Decedent's Estates Law to the Joint State Government Commission of Pennsylvania and a member of many civic and community organizations.

Robert T. Szostak has been practicing law for over 25 years with a concentration in civil litigation. An accomplished trial attorney, Mr. Szostak represents victims of catastrophic medical malpractice and other complex personal injury matters. He is an active member of the Montgomery Bar Association and the Philadelphia Bar Association, where he serves as the 2011 co-chair of the State Civil Litigation Section.

The attorneys at Rubin, Glickman, Steinberg and Gifford actively practice in Montgomery, Bucks, Chester, Delaware and Lehigh County courts, as well as in the federal courts. The firm handles all areas of practice. They also commit themselves to professional and volunteer representation in various areas of the law.
